

LG1000 Sealant Tape

■ Product description

LG1000 is a tackier and lower cost version than LG150.

Ideally suited for compaction operations at ambient temperature and seal applications .

Material compatible with most laminate (including composites tools) and film materials.

For optimum results, tape must be allowed to cool till ambient temperature before stripping from mould surface.

■ PROPERTIES

Maximum Use Temperature	150°C (302°F)
Colour	Black
Solids	100%
Flammability	Non ammable

■ AVAILABILITY&PACKAGING

Standard Size	11.5mm*2.5mm*15m (0.04'*0.118"*16yard) (4mm on request)
Standard Box Contents	20Rolls
Also Available In Cord	24Boxes In One Pallet

■ Notes

Storage: In original packaging at temperature between 5°C --25°C

Shelf life: 12months

LG1000 is non toxic, non irritant, and non injurious to skin
